

# Nord Electro 5 HP73 73-Key Hammer Action Portable Keyboard

## Nord Electro 5 HP73 73-Key Hammer Action Portable Keyboard

---

The 73-key Nord Electro 5 HP 73 stage piano/synthesizer brings a new level of versatility to an already established keyboard. Primed for live performance the Electro 5 HP 73 offers user-friendly touches like a large OLED screen, a Sample Synth section, split points and layering capabilities for building up complex sound patches, a hammer-action keyboard and more. Expanded memory now gives you 1GB for the Nord Piano Library and 256MB of memory for the Nord Sample Library. You also get the Tone Wheel and Rotary speaker simulation for Nord C2D Combo Organ. Gigging live just got easier with the Nord Electro 5 HP 73 stage piano.

---
